Eric,

Just to summarize your message from Friday, 12/11/09, I understand that the Gulfco Group has decided to withdraw the request for an extension for submission of the revised Screening Level Ecological Risk Assessment, and that this document will be submitted by 12/22/2009. I will be contacting TCEQ about scheduling a meeting for 1/6/10 in Austin to discuss the ecological risk assessment issues & will let you when its confirmed.
